If repairs are needed to pass inspection, they may be done at any location the motorist chooses.

The full inspection fee is due upon completion of a proper inspection, regardless of whether the vehicle passes or fails that inspection. A reinspection fee may be charged only when the vehicle is removed from the station by the motorist and returns for reinspection. When this occurs, the complete inspection for the failed safety or emissions inspection for the vehicle group must be performed.

* Registrants of vehicles with a MGW over 10,000 pounds, and up to and including a MGW of 18,000 pounds, may request a Heavy Vehicle inspection, receive the Heavy Vehicle Safety Inspection Certificate, and be charged the Heavy Vehicle (Group 2) inspection fee.

THERE IS NO SALES TAX ON INSPECTION FEES - DISPLAY THIS CHART IN A PUBLIC AREA IN YOUR STATION
